MEET THE PARTNERS

The European network behind EU-MATTER
Different countries. Different experiences.
One shared goal: empowering young people to participate in Europe.

INSIDE THIS ISSUE

Meet the EU-MATTER partnership

What each partner brings to the project

A European network built around youth participation

Co-funded by the European Union

One project. Many perspectives. One European mission.

Behind every EU-MATTER activity there is a network that stretches across seven countries five EU Member States and two accession candidate countries. A coordinator and eight operational partners work side by side to strengthen media literacy, critical thinking and democratic resilience among young people.
